**CUSTOM WINDOW SIZE ?**  
 If your window opening size is smaller than the standard window security bars size listed above , we cut security bars to fit your window size at extra cost of \$30/ window bar.  
 How many brackets require for my size of window bars? How to calculate and order See Below chart to calculate brackets  
 Most common installations mount on the sides only(left and right sides )  
 If you using "i" or "l" brackets you would need 1 bracket per end on each side.  
 If you are using "u" bracket than you will need 1 bracket for 2 end on each side  
 If you are using two bars and join them with sleeve bracket. you will need 1 sleeve bracket per end for one side only.
